# KINSHIP LOVES KREWE OF THOTH!

## Annual Thoth Charities Walk: Kinship was thrilled to be on the route!

The Krewe of Thoth once again graced Kinship with their presence! The krewe paraded through the center with their brass band, spreading cheer & joy to our center and its members. We were honored with a visit from Helena Moreno, councilmember-at-Large and were thrilled to have members from Central City Senior Center in attendance! Kinship looks forward to this very special event each year and thanks to all of our special guests and amazing court—this was the best yet! Long Live the Krewe of Thoth!

“The Krewe of Thoth...parades on the Sunday prior to Fat Tuesday each year through Uptown New Orleans with the most unique route in Mardi Gras.” To learn more about the Krewe of Thoth and all the good they do, visit [thothcharities.com](http://thothcharities.com)!

This year we honored our very own Krewe of Kinship court with Linda W. as our queen, Frederick Griffith of Anew Fitness as our king and Glinda J. & Nancy H. as our royal maids! Thanks to all who celebrated with us! Long live the Krewe of Kinship!
